Re: Closure of Notice of Violation  
Docket No. SDWA-08-2004-0025  
City of Trinidad Public Water System  
PWS ID# CO0136800

Dear Mr. Pifher:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Notice of Violation issued May 20, 2004 and not to pursue further enforcement action against the City of Trinidad Public Water System, Docket Number SDWA-08-2004-0025. This decision is based upon EPA's understanding that the Colorado Department of Public Health and Environment has issued an Administrative Order that addresses the City of Trinidad Public Water System's violations of the Total Coliform Rule, the Disinfectants and Disinfection Byproducts Rule, and the Interim Enhanced Surface Water Treatment Rule from May 2000 through November 2003.

If you have any questions about this decision, please contact Olive Hofstader at (303) 312-6467.

Sincerely,

Lisa Kahn, Team Leader

and Environmental Justice
